# PURE SUNFARMS™

## PINK KUSH

Our Pink Kush is a cut from legacy BC bud on Vancouver Island. It's a relative of the legendary OG Kush, but its exact origins are a little hazy. This gassy indica hits with high THC and strong kush aromas of white pepper, orange, butterscotch, coffee and earth.

POTENCY THC 20-27%  
200-270 mg/g

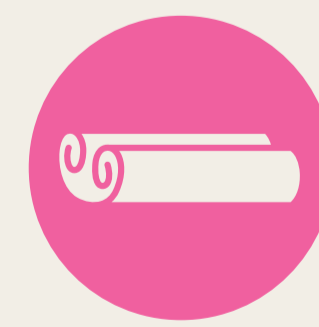

TERPENES Caryophyllene,  
Myrcene, Limonene
