PURE SUNFARMS™

UFO COOKIES

This new school cross of Alien Cookies x Animal Mints was pheno-hunted in our greenhouse for its intense deep and sugary aromas. It presents with earthy notes complimented by warm, sweet flavours, like a date or cooked fruit. The dense and narrow buds showcase a variety of vibrant greens and rust coloured hairs under a golden honey-like sheen of sticky trichomes.

POTENCY THC 22-28%
220-280 mg/g
