GALACTIC HAZE

SPECIES Sativa
LINEAGE Haze x
 Space Queen
AROMAS Citrus, Spice,
 Skunk

THC 22-28%

PURE SUNFARMS™

GALACTIC HAZE

Pure BC bud, this hazy sativa is a pheno-hunted cross of legacy legends Haze x Space Queen. Galactic Haze features bright aromas of sliced citrus with a touch of sweet skunk from dominant terpenes terpinolene and beta-pinene. Generously coated with resinous trichomes, the lanky buds showcase a blend of deep greens and burnt orange colours.

POTENCY THC 22-28%
220-280 mg/g

TERPENES Terpinolene,
Beta-pinene, Humulene

LINEAGE Haze x Space Queen

AROMAS

Citrus
