

PURE SUNFARMS™

PRESENTS

SATIVA GORILLA MILK

24-30% THC

A Mighty New
Sativa Emerges

Gorilla Cookies x Cereal Milk

SPECIES	Sativa
LINEAGE	Gorilla Cookies x Cereal Milk
AROMAS	Berry, Spice, Wood

THC 24-30%

Sugar, spice and coveted cake lineage. Gorilla Milk is a cross of two fan-favourite parents: Gorilla Cookies x Cereal Milk. A creamy cultivar bringing notes of sugary cereal milk and vanilla cookies, with a deep finish of red berries and spicy pepper. The plant delivers consistent potency, with long, dense buds featuring deep green coloration and a generous dusting of frosty trichomes.

POTENCY	THC 24-30%	TERPENES	Caryophyllene, Guaiol, Beta-pinene		
LINEAGE	Gorilla Cookies x Cereal Milk	AROMAS			
			Berry	Spice	Wood

Hand-harvested. Hang-dried. Hand-finished.

COVETED LINEAGE

Sought-after cake lineage: Gorilla Cookies x Cereal Milk.

AN UNEXPECTED SATIVA

Sugary and spicy notes of cereal milk and red berries with a peppery finish.

VISUAL APPEAL

Big buds with deep green colouration and a thick layer of frosty trichomes.
