BIG WHITE

27-33% THC

INDICA
Big Bud x The White

| | |
|---------|-------------------------|
| SPECIES | Indica |
| LINEAGE | The White x Big Bud |
| AROMAS | Sweet, Berry, Floral |

THC 27-33%

West Coast old school favourites come together to bring you Big White, a smooth riding indica with big snowy buds. A cross of The White x Big Bud, this powerful yet balanced cultivar produces naturally chunky, trichome-rich nugs and delivers a sweet nose of icing sugar and berries, with light floral and cakey notes from dominant terpenes caryophyllene, myrcene and bisabolol.

POTENCY THC 27-33%
