STUFF TO KNOW

- 0.95G All-in-One
- Puff-activated
 - Always on/auto-draw, no buttons
- Rechargeable built-in battery (USB-C charging)
 - When charging, light will pulsate
 - Once fully charged, light will stay on while plugged in
- Removable silicone cap to keep out that pocket lint
- Dual airflow for ultimate smokability
 - Hole at the bottom sucks in air as you pull. Tip: don't cover with your finger!
- Battery Voltage: 3.5V
- Store upright at room temperature

1 prize value approximately \$250. Contest closes Jan. 9, 2026. Chances of winning depends on number of entries. Skill testing question required.
