BC SOURDOUGH

INDICA | 27-33% THC

A BC-grown pheno of the classic Sourdough strain. Get to know this tasty indica:

- Triple cross of Platinum Cookies x Sour Gelato x Chemdawg
- High potency with a distinctly complex flavour profile
- Aromas of salty seasoning, mineral earthiness and tangy vinegar with hints of nutty bread and stone fruit
- Dense olive-green buds are accented by orange pistils and frosty trichomes

PROCESS: Hand-harvested.
Hang-dried.
Hand-finished.
