What you'll get...

ORGANISED PRESENTATION

Keeps Super Toast products together in a clear and convenient way.

MODULAR MERCHANDISING

Interchangeable product cards make displaying inventory and swapping in new products simple.

INTEGRATED STORAGE

Hidden rear storage holds reserve inventory (a case of each SKU) for easy access and quick restocking.

COUNTERTOP FOOTPRINT

Compact design built to be placed at the point of sale.

EYE-CATCHING DISPLAY

Bright Super Toast presence grabs shoppers' attention for those easy basket toppers.

DURABLE CONSTRUCTION

Sturdy all-metal construction designed for daily retail use.

SECURE DISPLAY

Locking front and back compartments with a counter tether cable keep products secure, yet accessible to authorized staff.

Vending Machine Specs: 27.36" H x 14.2" W x 13.4" D | 29lbs
